

Docker Installation

Team ID	PNT2022TMID13325
Project Name	Containment zone alerting application

Note: The diagram below confirms that we successfully installed Docker.

A screenshot of a terminal window titled "Terminal". The terminal shows the command `> docker -v` and the output `Docker version 20.10.21, build baeda1f82a`. The terminal has a dark background with light-colored text. The window title bar includes standard macOS window controls (red, yellow, green buttons) and a search icon. A status bar at the bottom of the terminal shows a file icon, a home icon, and a checkmark icon.

```
> docker -v
Docker version 20.10.21, build baeda1f82a
